

# natureworks packaging

Can earthworms  
eat your Council  
bin liner bag?

**COMP-LETE**

Not - Plastic

Bin Liners have

passed the worm test

100% Compostable

Naturally Biodegradable

**COMP-LETE BIN LINERS  
ARE PERFECT FOR ORGANIC  
WASTE AS THEY BREATHE  
AND ALLOW COMPOSTING TO  
GO ON WHILE STOPPING ANY  
ODOUR FROM ESCAPING**

**THEY KEEP YOUR BIN CLEAN  
AND CAN GO STRAIGHT  
INTO COMPOSTING WITHOUT  
THE NEED TO BE HANDLED OR  
SEPARATED AS IT IS TOTALLY  
COMPOSTABLE AND  
BIODEGRADABLE**

“thicker gauges and  
sizes for mixed waste  
or particular uses  
also available”

**CERTIFIED AS4736**

incorporating “The Worm Test”

*Waste Bin Liners  
Rubbish Bin Liners  
Bin Caddy Liners*

*Available all sizes*
